### LEADING-EDGE DENTISTRY

**LASER GUM THERAPY,  
ONE-VISIT CROWNS, & MORE!**

Dr. Robert Henkel

If you have been diagnosed with gum disease and think surgery is your only option, **Laser Periodontal Therapy™** could change your life! LANAP is an FDA-approved laser alternative to gum surgery that requires **NO CUTTING** and **NO STITCHES!**

Dr. Henkel also utilizes **CEREC®** digital technology to design, create, and place crowns in just **ONE** office visit. CEREC is extremely precise and **ELIMINATES** the need for messy impressions and temporary crowns! Call today to find out what we can do for you and your smile.
